

Coffee for Life team visited School for Life Chiang Mai

Mr. Bernd Meyer & Mrs. Sas Meyer, founder of Decoroso GmbH Hamburg, two “Coffee for Life” entrepreneurs from Germany, and Khun Praewa Boonyawan, the “Coffee for Life” entrepreneur from Chiang Mai, visited School for Life on 4th January, 2018.

They inspected the setting of the “Coffee for Life” shop at School for Life, tasted various coffee drinks and inspected two thousand coffee plants which are growing on the campus.

They took photos together with the School for Life children who join the coffee project.

After that, they discussed in detail about the export of coffee beans to Germany, tax, order, packaging, stock, contract, brand, profit for the School for Life, entrepreneurial coffee education & training to the School for Life children and the training facilities of the new established coffee camp near Chiang Kong.
